### REGULAR TROTTING RACES—SECOND DAY.

Yesterday was a most propitious day for the races, and the track was in excellent condition for an interesting and fast race.

The announcement that there would be two races, in both of which the horses were well matched, drew out a larger attendance than on the previous day, and we were glad to see so large a representation of the fair daughters of Kentucky. This meeting promised to be one of the finest ever trotted over the course judging from the opening days.

The managers of the track are using every effort to restore the racing in this city and again placing it at the head of all amusements. Everything is conducted on the best terms and everybody is pleased with the results.

The first race announced for yesterday was a double team, mile heats, for a purse of \$200. There were but two entries—Brown's Rodney and Daniel Boone and Johnson's Chuck-a-Luck and Jowett. The former were the favorites at about four to one. The horses were brought on the track all looking in excellent condition. Just before the start the betting fell to about two and a half to one. After some delay in getting a start the horses got off well together. Just after the drum was tapped the Johnson team left their feet and fell back, Brown taking the lead, which he maintained throughout, winning the heat by several lengths in 2:46. The quarter was trotted in 43, and the half in 1:24.

After the first heat was over, Brown's team became the favorite at large odds, though Johnson still had his friends, who invested at the odds offered. The start for this heat was an excellent one, but just after passing the score Brown broke, and ran nearly to the quarter-pole, passing Johnson some three lengths before he pulled down. After giving Johnson the go-by Brown kept the lead and came in some lengths ahead. The Judges went around the track and, after summing up all the evidence in the case, announced that there was not sufficient to convict Brown of foul driving, but, in accordance with the rules of the Association, deducting twice the distance gained by running, they awarded the heat to Johnson. The mile was trotted in 2:51 and the quarter in 41. The time of the half mile was not given.

When the go for the third heat was given Johnson took the lead, Brown breaking. The lead was maintained to the quarter-pole, when Brown went up, and on the back stretch he took the first position, which he kept throughout, winning the heat and race in 2:35. Coming down the home stretch Johnson endeavored to come up, but Brown was too fast, and, although Johnson succeeded in closing up the gap, he could not get ahead. The quarter was made in 45 and the half in 1:31. We annex the following:

FOURTH WARD SCHOOL EXAMINATION.

The exercises yesterday were excellent.

Mr. Roberts, the principal, was presented with a splendid family Bible by the scholars of his class, and by the teachers of the ward, with a splendid silver pitcher, as a testimonial of the regard in which he is held by both. The pitcher bears the inscription:

"To Geo. Roberts, by the Teachers of the Fourth Ward School."

To-day the exercises will be, during the forenoon, in the secondary department, and in the afternoon there will be an examination.

AREST OF A SHARPER.—Yesterday morning, officer Jack Gallagher arrested, at the Ormsby House, Reuben Silvernail, of Davenport, Iowa, who has been registering his name at the hotels in this city, as Ruth Smith, from Illinois. We are informed, that he has been playing the sharper, with cards, swindling a number of soldiers out of their money. At the time he was arrested he had in his possession some \$1,500 or \$2,000, bogus money. He will be tried in the Police Court, this morning, as a suspected felon.

DETAINED.—The passenger train from Frankfort last night arrived over one hour behind time. It was detained by one of the fuses of the locomotive of the freight train bursting. The passenger train had to wait until the freight train could be brought to the next station. The accident occurred above Frankfort.

DETAINED.—Some soldiers went into Purgry's, at the corner of Third and Jefferson, last night, and asked for whisky, which was refused. One of them took a boquet out of a glass and attempted to go off with it, whereupon the guard turned them all out. The soldiers returned, smashed a mirror, and were put in the guardhouse.

DETAINED.—Yesterday officers Gallagher and the poolster's purse of \$100, mile heats, three lost in five, there are four entries—Johnson's Gentle Annie, Mrs. Rodger, Alexander's Horsemen, and Wilson's Fancy Dray. These races will be the most exciting of the week, and the attendance will no doubt be very large. Persons attending the races should not forget that the train for the track will leave the depot at 2 o'clock, instead of 3 as before.

NEW YORK, June 27.

A Richmond and Petersburg correspondent says General Terry, commanding at Richmond, has issued an order among the colored people having reason to exist in Virginia, all the State and municipal laws regarding the personal liberty of colored persons have become obsolete, and that, henceforth, no colored people will enjoy the same personal liberty as the whites, and be subject to only the same restrictions and punishments. Slavery, however, will not be permitted on the soil of the nation, any more than on that of the white citizens.

The testimony of colored persons, he also states, will be received in all cases before the military courts in his department.

Gen. Hartshorn, commanding at Petersburg, Va., has forbidden, in an official order, the holding of any more meetings by the planters, to establish fixed meetings for the purpose of giving vent to their disaffection prejudicial to their interests, and no difference in rate of compensation for the same labor by whites and blacks is to be allowed.

The Virginia Legislature adjourned sine die on Friday evening last, after a session of five days. Nearly all the measures required by Governor Pierpont to make the work of the Legislature and the State Government were passed, eliciting little or no debate in their passage. The most important of these was that extending the elective franchise to persons of color, and making it conform to the Alexandria Constitution. These persons are those who have voluntarily given aid and comfort to the rebellion since the first of January, 1861.

The testifying of colored persons, he also states, will be received in all cases before the military courts in his department.
